

Shipped late.

Packed badly.

Not up to spec.

Too few.

And still no supplier discount.

How do you like them apples?

Perhaps we, can help.

We, are Manthan Systems.

And we have for you ARC Supplier Performance Analytics.

A decision making framework that enables you to identify new areas of synergy and avenues for bringing about operational excellence, through Supplier Performance Management.

Everything, in short, that you need to manage orders, reduce costs, improve supply chain efficiency, and negotiate trade discounts.

As with all our globally proven ARC retail performance management solutions, ARC Supplier Performance Analytics is action-oriented to streamline your decision making process.

(But don't take our word for it, just ask Huggen.)

You can start, by letting us know if you'd like to see a web demo.
